Not sure which school might best suit your learning needs for your Grade 10 academic school year? Visit both schools and bring your parents/guardians to ask those much needed questions!

Open House

There will also be an open house on the NPSS main campus after spring break. All parents and students are welcome. This is an opportunity for students to get clarification for their questions on which courses to choose during the course selection process for their next year, as well as, future career planning. It's also a great time to reconnect with teachers, counsellors and administration.
